

# KORTNI BOTZET ANNUAL DANCE SCHOLARSHIP

Kortni started dancing as soon as she was able to walk! At the age of 2 she joined Dancin' Off Broadway. At first she was pretty shy but she grew to love the stage. If you asked Kortni what her favorite hobby was she would say "Dancing on stage." With her untimely death in May 2010, at the age of 6 ½ we wanted to keep her memory alive with an annual dance scholarship and share her love of dance with others.

Along with Dancin' Off Broadway, we would like to offer other young children the opportunity to learn and grow in their love of dance. The scholarship is open to children age 3-7 who would like the opportunity to dance. The scholarship will pay for one year of dance tuition at Dancin' Off Broadway.

If you are interested in applying for this scholarship for your child or a child that you think would benefit from it, please complete the attached application and return to Dancin' Off Broadway by mail or email with "Kortni Botzet Dance Scholarship" note as the subject.

Thank you – Kortni Botzet Family and Dancin' Off Broadway
